For the first time, since constructed in 1920, Luker Realty is pleased to offer this home. Conveniently located in Central Casper's big tree area, within walking distance of Natrona County High School, Dean Morgan Middle School and Park Elementary. Laundry is on the main level (washer & dryer are included), connected to a large master bedroom suite with walkout door. New roof (2011), Pella windows, updated siding, sprinkler system, HVAC (2011), replaced water heater (2011), and the water softener is included. There is an eat in kitchen and formal dining area. Please contact Chris Bradfield at Luker Realty to schedule a tour.
