

FOR SALE

2.8-4.6 ACRE LOTS
GLENROCK, WYOMING

Glenrock is in a prime location for many companies. Sitting equidistant from Douglas and Casper in east central Wyoming, Glenrock is in the middle of the energy patch. From oil & gas, coal, uranium, and related services the hydro-carbon industry is set to be serviced from the Glenrock Business Center. Lots are priced from \$2.25 per square foot and will be ready for development in the spring of 2013.
